Inspiring Women

As part of the Women in Aviation Worldwide Week, Glacier Air and the BC Coast 99's are pleased to offer FREE Fly it Forward[®] flights to women and girls aged 12 years or older who have never flown in a small airplane before. The flight experience will not only change your life, it will also make you eligible for prizes!

Limited space, first come, first fly. So come early and stay for the day. Meet inspiring women pilots, including two guest speakers.

BC Coast 99's International Organization of Women Pilots, female student pilots, and guest speakers.
